REC-57

Remylet 4/21/64.

Enclosed is Issue No. 11, Volume 1, of captioned publication. Attention is called to the following items of interest:

Page 1: Letter from reader (Miss) JEAN SULLIVAN, San Francisco, California, approving of ALAAR.

Page 2: Letter from GEORGE HAMILTON, New York, New York, disapproving of articles on jazz in ALAAR since jazz not progressive and does not interest serious revolutionaries.

Letter from MARTIN VERNON, Conway, New Hampshire, indicating ALAAR has become his most important source of truthful information.

Page 3: Pro-Red Chinese attitude of ALAAR is demonstrated in article, "The Return of the Gunboats," by such phrases as, "A revisionist journal such as 'L'Humanite', organ of the French Communist Party..." and "Today, African unity is to be found in Kwilu, where it advances the most behind the peasant armies of PIERRE MULELE."
